超大操作空间,采用按键屏操作面板操作盒按键, 内容直观,操作简便迅速.封闭式摆动轴设计,防止零件生锈,增加零件的使用寿命,加之步进三驱专利技术颠覆式革新,对于多种面料的缝制性价比极高。

Large operation space, use touch screen operation panel, which has intuitive content and is easy to operate quickly. Closed swing shaft design prevent parts from rusting, extend the life of parts, and the subversive innovation of Step 3 dirve technology , for a variety of fabrics sewing, is cost-effective.
